The Fifth Risk: Undoing Democracy

Michael Lewis

What are the consequences if the people given control over our government have no idea how it works?

"The election happened," remembers Elizabeth Sherwood-Randall, then deputy secretary of the Department of Energy. "And then there was radio silence." Across all departments, similar stories were playing out: Trump appointees were few and far between; those that did show up were shockingly uninformed...

Accessory to War: The Unspoken Alliance Between Astrophysics and the Military

Neil deGrasse Tyson, Avis Lang

New York Times Bestseller

An exploration of the age-old complicity between skywatchers and warfighters, from the best-selling author of *Astrophysics for People in a Hurry*.

In this fascinating foray into the centuries-old relationship between science and military power, acclaimed astrophysicist Neil deGrasse Tyson and writer-researcher Avis Lang examine how the methods and tools of astrophysics have been enlisted in the service of war. "The overtan is strong, and the k

These Truths: A History of the United States

Jill Lepore

New York Times Bestseller

In the most ambitious one-volume American history in decades, award-winning historian and *New Yorker* writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history.

Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these

Crudo: A Novel

Olivia Laing

A brilliant, funny, and emphatically raw novel of love on the brink of the apocalypse, from the acclaimed author of *The Lonely City*.

"She had no idea what to do with love, she experienced it as invasion, as the prelude to loss and pain, she really didn't have a clue."

Kathy is a writer. Kathy is getting married. It's the summer of 2017 and the whole world is falling apart. Fast-paced and frantic, *Crudo* unfolds in real time from th...

Gone So Long: A Novel

Andre Dubus III

Your Note: Events: Vroman's and Book Passage

Andre Dubus III's first novel in a decade is a masterpiece of thrilling tension and heartrending empathy.

Few writers can enter their characters so completely or evoke their lives as viscerally as Andre Dubus III. In this deeply compelling new novel, a father, estranged for the worst of reasons, is driven to seek out the daughter he has not seen in decades.

Daniel Ahearn lives a quiet, solitary existence...

Tell Them of Battles, Kings, and Elephants

Mathias Enard, Charlotte Mandell

An adventure of Michelangelo in Constantinople from the "mesmerizing" (*New Yorker*) and "masterful" (*Washington Post*) author of *Compass*

In 1506, Michelangelo—a young but already renowned sculptor—is invited by the Sultan of Constantinople to design a bridge over the Golden Horn. The sultan has offered, alongside an enormous payment, the promise of immortality, since Leonardo da Vinci's design had been rejected: "You will surpass him..."
