Before Indie Bookstore Day, Saturday, April 27
Visit independent bookstores in April and win prizes!

How to play the Bookstore Passport Game
Visit stores during the month of April to win gift certificates for books! Each store has been assigned points based on the number of other bookstores surrounding it. The farther a bookstore is from other stores, the more points you get for visiting it. The more stores you visit, the more likely you are to win.

Get signatures from the stores you visit (in their gameboard square) and then turn in your gameboard to your local bookstore on Independent Bookstore Day, Saturday April 27. Winners will be announced May 1.

Points earn you entry into a drawing for a gift certificate from your favorite bookseller!
10 or more points = drawing for $25 gift certificate
25 or more points = drawing for $50 gift certificate
50 or more points = drawing for $75 gift certificate
100 or more points = drawing for $100 gift certificate
The most points winner also will receive a box of bonus books worth $500.

Good luck! Your local bookseller is rooting for you.
